

# PRICELIST **EnergySwitch** vertical PDUs

Racktivity EnergySwitch Smart PDU's equips your data center with the industry's most advanced metering and switching capability. Racktivity EnergySwitch smart PDUs are built upon Racktivity's real-time operating system, EnergyOS™ to provide the highest degree of granular real-time PowerQuality type metrics. EnergyOS™ implements the hardware-related portions of Racktivity's EnergyDNA™ technology to provide real-time remote PDU-level and outlet-level true RMS monitoring of current (A), voltage (V), power (VA, W), power factor (%) and energy consumption (kWh) with +/- 1% accuracy.

All of this allows you to work with current, relevant and actionable power utilization data to make informed decisions on load balancing and managing IT assets based on event triggers and energy consumption to lower total cost of ownership. A powerful system for energy and capacity optimisation with reliable IT asset protection, all in one unit.

## •ES2124-32

€ 1.350

- › **Phase:** 1 phase
- › **Input total:** 32A
- › **C13 (8A):** 21x
- › **C19 (16A):** 3x
- › **Output/bank:** 32A
- › **Fuse:** Magnetic

### Dimensions (H x W x D)

- › **inch:** 71,3 x 2 x 3,1
- › **cm:** 181 x 5 x 8

### ALSO INCLUDES

- › **MOUNTING SET:**  
2 toolless mounting brackets 0U FLAT and 2 0U ANGLED, 4 M3x6 screws, 2 button mounts, 2 mounting brackets 0U FLAT and 2 0U ANGLED, 24 retention brackets.

## .TOOLLESS MOUNTING SET FLAT (Reference: ES0-ACC-ST1-F)

€ 75

### INCLUDES

- › 2 toolless flat mounting brackets
- › 2 button mounts
- › 24 retention brackets

## .TOOLLESS MOUNTING SET ANGLED (Reference: ES0-ACC-ST1-A)

€ 75

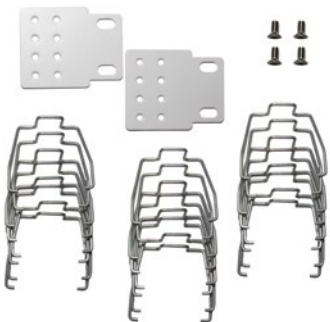

### INCLUDES

- › 2 toolless angled (90°) mounting brackets
- › 2 button mounts
- › 24 retention brackets

## .MOUNTING SET FLAT (Reference: ES0-ACC-ST2-F)

€ 75

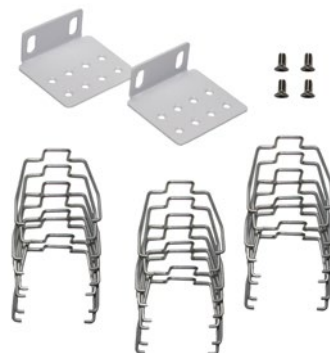

### INCLUDES

- › 2 flat mounting brackets
- › 4 M3x6 screws
- › 24 retention brackets

## .MOUNTING SET ANGLED (Reference: ES0-ACC-ST2-A)

€ 75

### INCLUDES

- › 2 angled (90°) mounting brackets
- › 4 M3x6 screws
- › 24 retention brackets

## ENVIRONMENTAL SENSOR (Reference: ESN100-11)

€ 210

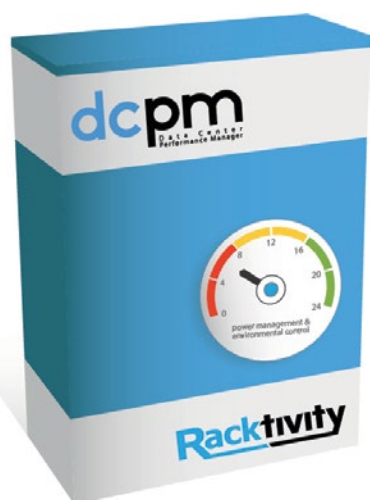

- › **Integrated sensors:** Temperature  
Humidity  
Motion detection
- › **Supported sensors:** Temperature  
Water leak  
Dry door contact  
Smoke
- › **Easy mountable:** M5 screws  
Magnets  
Cable ties

- Dimensions (H x W x D)
- › inch: 2,76 x 2,27 x 0,94
  - › cm: 7 x 5,77 x 2,38

### ALSO INCLUDES

- › Mounting set: tie wrap
- › I/O connect
- › RJ45
- › 2 temperature probes (1m long)
